

Some months have thirty days. Other months have thirty-one days. And sometimes February has twenty-eight days and sometimes it has twenty-nine! If you want to remember how many days each month has, memorize the poem below.

Months

**Thirty days has September,
April, June, and November.
All the rest have thirty-one,
Except February,
Which has twenty-eight
(most of the time),
But in a Leap Year has 29.**
